Accident – Any unexpected, sudden and unnatural event due to an external cause and alien to the Person Insured will and causes on this corporal injuries that might be clinical and objectively testified or death.

Insurance value - for each of the guarantees or insurance properties will be posted a maximum amount to compensate in case of accident (insured capital or insured limit) designated in the special conditions by insurance value;

Illness – Any disease that victimizes and prevents the Person Insured to continue the trip; is considered pre-existing disease, any disease or injury that was diagnosed before the inscription in the insurance policy;

Excess - Amount of which in case of incident that is supported by Person Insured in case of payment by the Insurer;

Incident – Any event or series of events stemming from the same fortuitous, sudden and unexpected cause, likely to warrant activation of the contract guarantees;

Travel Assistance - Service executed for the entity that it organizes and it gives, on account of the Insurer, the guarantees granted in this special condition, whether coats to character pecuniary, whether if it deals with the rendering of services.

Contract Purpose

The contract guarantees the Person Insured only the incidents occurred during the period of the trip abroad acquired the Policyholder, since the departure until the return to their habitual residence, whether it has a professional or tourist motivation.

It is applied what is fixed in the contract conditions of the policy.

Territorial Scope

The risks referred in Clause II will be guaranteed by the Insurer in the countries of origin and destination of trips contracted to the Policyholder. The risks referred to in Clause III will be guaranteed by the Insurer in the countries of destination of the trip contracted to the policyholder.

Notwithstanding this, the risks referred in Clause III will only be guaranteed by the Insurer if the time between the first and last boarding of the trips mentioned in the insurance certificate does not exceed 30 or 90 days, according with what was celebrated between the policyholder and the Person Insured and is reported in the certificated.

Coverage Period

Corresponds to period of time that the trip program last acquired by the Person Insured to the Policy Holder.

It starts in the moment that the Person Insured benefits the first service contracted until the end of the last contracted service.

Legislation and Arbitration

This contract is ruled with the Portuguese law;

All the disagreement that may occur regarding the practice of this insurance contract will be solved under the arbitration of the law in force.

Clause II – Personal Accidents**1. Covered Risks**

The Insurer ensures, under the resent contract the following risks regardless of whether they occur during a professional and/or an extra-professional activity of the Person Insured. The contract does not protect professional and / or extra-professional activities that are of superior hazard to the average traveler.

1.1. Death or Permanent Infirmary

In case of death, occurring immediately or during the two years following the date of the accident and as a result of this, the Insurer shall pay the amount insured by the Person Insured up to the limit provided in the attached table, which shall be attributed according to the rules of inheritance foreseen under civil law. The Death guarantee is not applicable to people under the age of 14 years.

In case of permanent infirmity, clinically verified and occurring during the two years following the accident and as a result of the latter, the Insurer shall pay up to the limit provided in the attached table determined by the Devaluation Table included in its General Personal Accident Insurance Conditions;

The capital insured in Death and Permanent Disability are not cumulative, and for this reason if a Person Insured will die as a result of the an accident, the Death capital will be deducted from the amount of capital for Permanent Disability that eventually has been attributed or paid for the same accident.

a) Maximum Accumulation of Capital

The maximum amount automatically insurable for the coverage of Death or Permanent Disability and by cumulative risk (in situations of travel in that vehicle carrier and independently of the policy holder) is € 6.000.000,00.

If the total sum insured is higher than the above mentioned value, the Insurer has to be informed at least with 5 days in advance to allow the Insurer to place the excess in a reinsurance agreement.

In case a loss occurs and the Insurer is not informed or where the Insurer could not find reinsurance coverage, the compensation is to be done on a pro rata basis.

Clause III – Travel Assistance**A- Luggage Cover****1. Damage and Loss of Baggage**
